

JAPAN LEATHER AND LEATHER GOODS INDUSTRIES ASSOCIATION

革いいね、NIPPON

JAPAN LEATHER AND LEATHER GOODS INDUSTRIES ASSOCIATION

JLIA is a comprehensive organization founded in 1986 for the purpose of working towards the overall promotion and development of and solidarity reinforcement for leather industries while simultaneously contributing to the development of Japanese industries and the advancement of the livelihood culture of the Japanese people.

The organization carries out these objectives through conducting the likes of total coordination of various policies, the development of technology, and promulgation and enlightenment activities as they pertain to the production, distribution and trade of leather and leather goods.

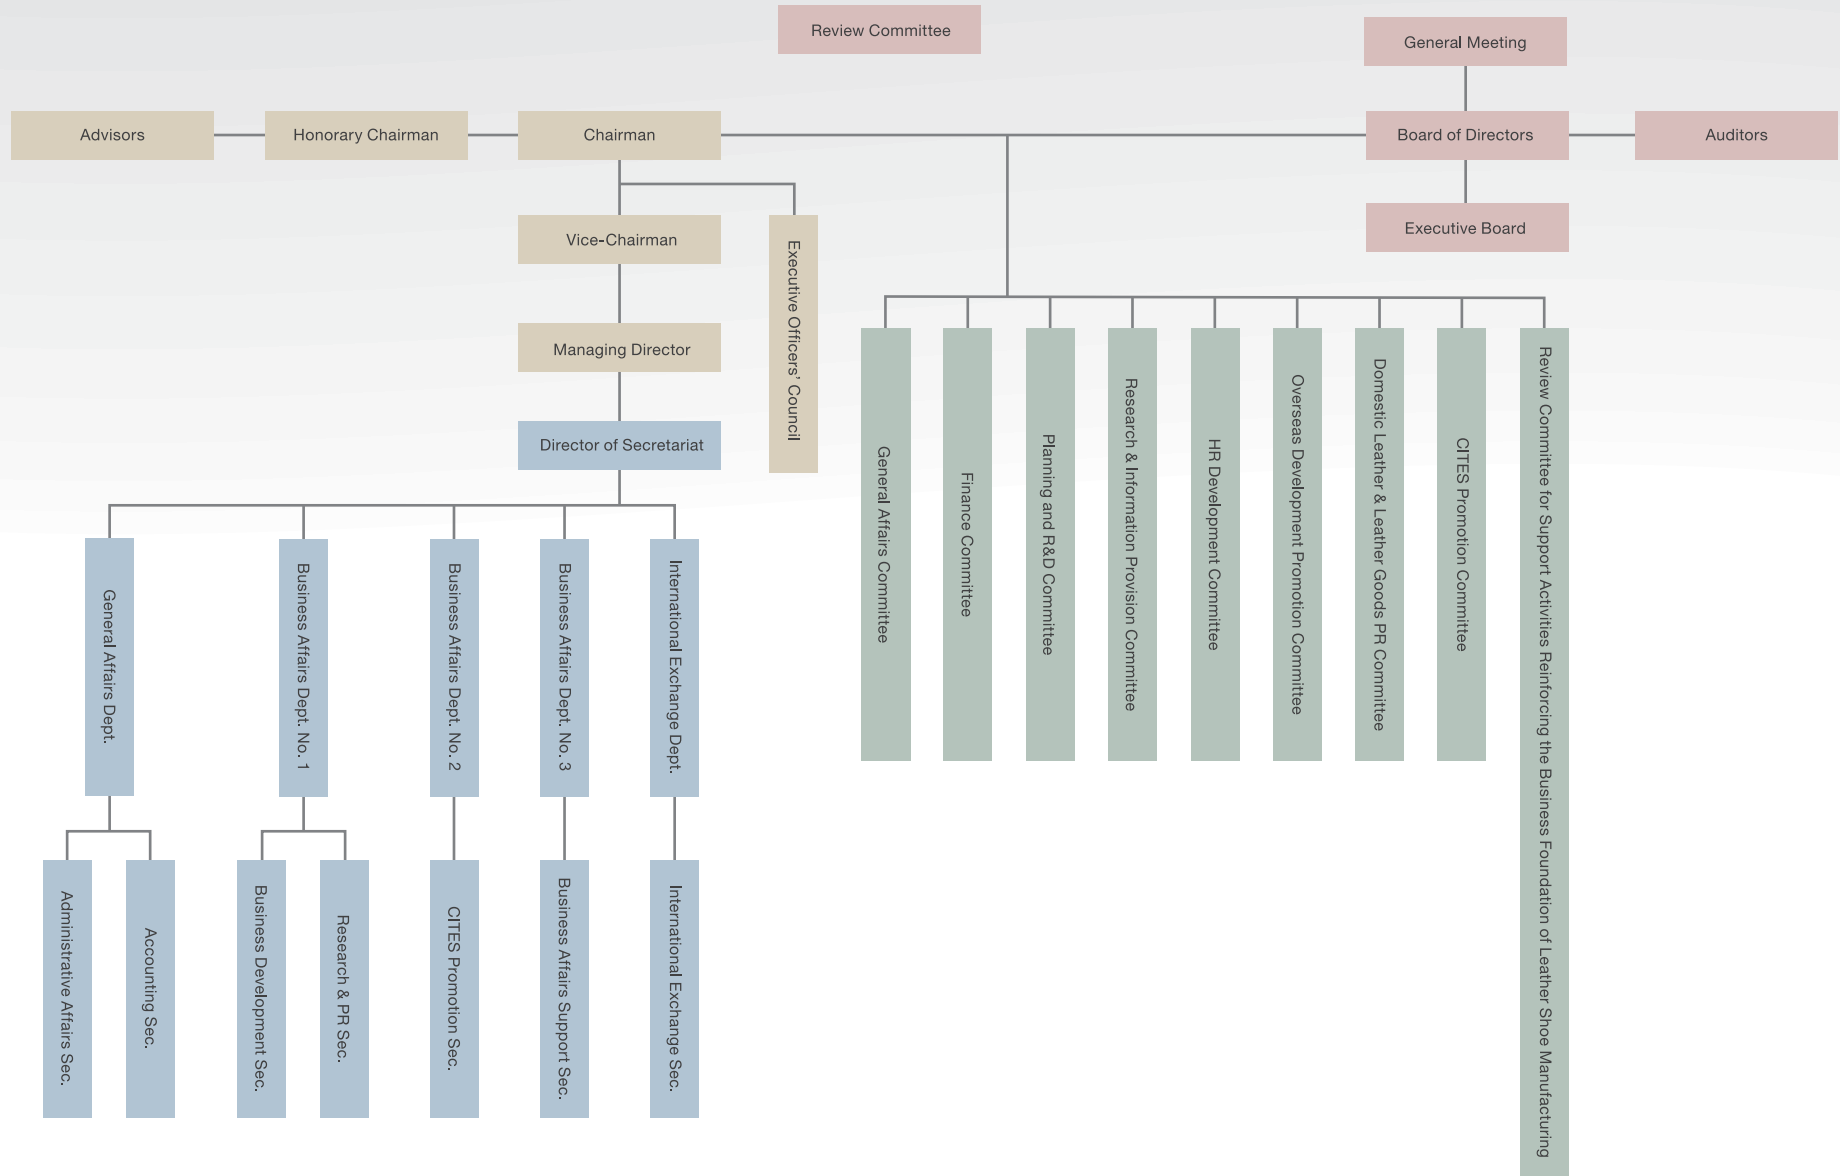

Currently, 24 leather-affiliated entities are active members of JLIA.

For the purpose of achieving the above objectives, JLIA engages in the following businesses:

1. Total coordination of various policies, etc. in leather industries
2. R&D pertaining to technology in leather industries
3. Promulgation and enlightenment activities in leather industries
4. Conducting of training sessions, lecture presentations, workshops, etc. pertaining to the likes of technological advancement, human resource development and internal and external trends in leather industries
5. Investigative research pertaining to production, distribution, consumption and trade in leather industries
6. Gathering and provision of information pertaining to leather industries
7. Investigative research for the purpose of preventing pollution and improving health and safety in leather industries
8. Promotion of international exchange in leather industries
9. Breeding and cultivation of animal life forms in leather industries
10. Support activities for reinforcing the business foundation of the leather shoe manufacturing industry
11. Cooperative activities for administrative policies pertaining to leather industries
12. Liaison and coordination activities with related institutions
13. Matters other than the above that are necessary in order to achieve the stipulated objectives
